

CDUK invites you to a CPD Seminar on Solid Surfaces for Interior and External Architecture

Experts in Corian®

The Continuing Professional Development (CPD) seminar will be given by authorities in Corian® and will update each professional on important developments of Solid Surfaces and their use, areas such as:

- Solid Surface characteristics and benefits
- Architectural and Design possibilities
- The Production to Fabrication process
- Raw materials, adhesives and composition
- Current applications (visuals)
- Properties of Solid Surface
- Manufacture: Sheet, Matrix sheet and shape product
- Comparison of Solid Surface characteristics
- Development of Solid Surface from 1960s to present day
- Environmental considerations
- Support, warranty and service infrastructure

Places are strictly limited, to book your CPD Seminar, or for more information, please contact Kim Firth at CDUK, the UK distributors of Corian®, on 0113 201 2240 or email info@cdukltd.co.uk

CDUK, Wakefield House, Thistle Way, Gildersome Spur, Leeds LS27 7JZ
